7. List of publications in journals or conferences (if any)
8. Evidence of professional or research activity (if any)
9. Any other document to support the application

I declare that:

- I have fully read, understood and accepted the admission regulation and conditions specified in the attached "Communication" document of the PSP.
- I have fully read, understood and accepted the condition that diplomas or certificates from foreign Universities must have been issued by the Hellenic NARIC (<http://www.doatap.gr/en/index.php> - organization supervised by the Hellenic Ministry of Education. It is responsible for the recognition of university or technological degrees that are awarded by foreign Higher Education Institutions - H.E.I. The Hellenic NARIC is also responsible for providing information about educational systems and accreditation of Institutions in Greece and abroad). During the application procedure a proof that an application for certification has to be submitted. The recognition of diploma or certificate of completion of studies by the Hellenic NARIC (which can be submitted by the end of the program) is a precondition for the award of the M.Sc. degree.

I certify that this application form is accurate and complete to the best of my knowledge.
